

The Accreditation Council
of Trinidad and Tobago

Established by Chapter 39:06

Quality is the Key

**Are you applying to a local or foreign
university or college?**

**Are you concerned about the quality of the
institution or programme?**

Here are some questions to help you.

Registration/Accreditation/Recognition Specific to Local Tertiary Level Institutions (TLIs)

- Is this institution registered, accredited or recognised?
- What mechanisms do you have in place to ensure your re-registration with ACTT?
- Is the programme that I am interested in approved, recognised or accredited by ACTT?

Academics and Faculty

- What is distinctive about your faculty? What is the educational philosophy of the university/college?
- Has it changed much in recent years?
- What is the most popular major on campus? Why?
- How would you characterise the academic rigor and work load? What is required of me to graduate?
- Are there research and or internship possibilities with the faculty? In what areas?
- What is the student to faculty ratio?
- What is the quality of student and faculty relationships? Is the faculty interested in and accessible to students after class? Do faculty members participate in student activities?
- Are curriculum changes in the works? How will that affect my college years?
- Are any new programs scheduled for the next four years?
- Are there scholarships that I can apply for?

Questions

to ask University/College Representatives

Students

- Has the student government made any real contribution to the school? How do you get into student government?
- What political, social, or academic issues concerned students last year? How did the administration react? What was the resolution?
