

The future of  
**Online Learning Quality:**  
*Keynote Speaker*

## Dr Senthil Nathan

Managing Director,  
EduAlliance Ltd  
United Arab Emirates

Dr Senthil Nathan co-founded and heads EduAlliance Ltd, a boutique management consultancy specialising in education in the UAE and the USA. In the past 6 years, he has consulted for over 25 universities and investors and helped establish new universities. His work has also involved supporting universities in preparing for artificial intelligence and the development of micro-credentials and digital badging.

Prior to that, for two decades, he was part of a core team that developed the Higher Colleges of Technology, UAE from a simple beginning to become the largest university in the UAE. He served as its Deputy Vice Chancellor for 8 years. As a Dean, he introduced 30 new degree programs and also led major online learning initiatives.

He currently Chairs the Board of Trustees of Livingstone International University, Uganda.

He has a Ph.D. in Civil Engineering from Rice University, Houston; executive education from Harvard and MIT; teacher training from Cambridge University; MS from Indian Institute of Science and has received numerous awards for academic excellence.
